Prayer for Fine Weather

Heavenly Father, you have created all things and we depend upon your loving goodness. You have given us the earth to care for and provide our food. We humbly ask you to give fine weather for our hardworking farming families of this community so that their animals may have food, and their crops can be planted. Give peace of mind to all who work so hard on their land. For your goodness Lord we thank you and in you we put all our trust.

Amen.
