

REMINDER
TO: ALL GROUP WATER SCHEMES

**RE: 2022-2024 MULTI ANNUAL RURAL WATER PROGRAMME
(MARWP).**

Mayo County Council has been advised by the Department of Housing, Local Government & Heritage that its submission for funding for capital works to Group Water schemes under the above programme must be submitted before the end of September 2021.

Group Water Schemes who wish to be included in this request for funding should **immediately** assess their schemes and decide where they think upgrading or improvements are required to their scheme.

The scheme should send an expression of interest to us at ruralwater@mayococo.ie. The deadline for receipt of expressions of interest is **Thursday 3rd June 2021**; expressions of interest received after this date will not be considered for funding.

We will contact schemes to discuss and advise them in relation to their request before including in our MARWP submission.

Information on categories of funding is available from our office.
