## Shrule & Moyne Cemetery Masses

The parish pastoral council together with Father Vivian would like to sincerely thank you all for the wonderful turnout at the Shrule and Moyne Cemetery masses. Thank you to all who attended, especially family members of those who passed away during the last year. A special word of thanks to those who volunteered to do readings, prayers of the faithful, reflections, music & helped with the distribution of Holy Communion especially the ministry coordinators who helped contacted families in organising the liturgy.

A special word of thanks to Shrule & Moyne graveyard committees for keeping both graveyards looking so well, that brings comfort and consolation to families.

May their souls and the souls of all the faithful departed rest in peace. Amen.

## Irish nun who changed education for India's poorest children dies

An Irish nun who received India's highest civil award, the Padma Shri, for her work in education, has passed away at the age of 86.

Sister Cyril Mooney, IBVM, died Saturday, June 24, in Kolkata, India, after a long illness. She was born on July 21, 1936, in Bray, Ireland. She was a student at Loreto Convent and it was there, at the age of 13, that she felt called to become a religious sister.

In 1956, she left Ireland and started her journey by ship to Kolkata (formerly Calcutta). In 1979, she finished her doctoral degree in zoology and became the principal of Loreto Day School at Sealdah, Kolkata.

Inspired to use education as a means of creating change and empowering India's poorest population, Mooney founded the Rainbow School Program. Previously, the convent's school only allowed the well-off to attend, but thanks to this program, their doors were opened to the poor and have helped nearly 450,000 individuals improve their circumstances.

Under the program, 700 children who attend the school pay fees, and those fees provide free schooling for 700 other children who cannot afford to pay.

"We mandated ourselves that we would take 25% of poor children every time we did admissions, and over time this moved up to 50%," Mooney said in an interview with **The Irish Times** in 2015. "To help street children keep up their attendance, accommodation was provided on site in a model that has been copied by the West Bengal government."

The nun also created a home at the school for roughly 200 street children who had no family.

Her school model inspired the entire country of India to follow suit. Since 2010, it has become mandatory for private schools to follow the 25% quota for disadvantaged students under the Right to Education Act.

Mooney recalled how "the [Indian] government said if the Loretos can do it, we can do it."

Another **initiative** Mooney began was the Barefoot Teachers Training Program, which provided teacher training to young people from the slums near Kolkata who lacked the basic requirements for admission to teachers' colleges.

Mooney and her team trained more than 7,000 teachers who were able to bring primary education to over 350,000 children with no access to education.

In 2007 she was awarded the Padma Shri Award by the Indian government. The award is one of the country's highest civilian honors. In 2013 she received a distinguished service award, one of Ireland's highest awards.

Mooney's funeral took place at St. Thomas Church in Kolkata on June 27. This is the same church Mother Teresa laid in state for a week before her funeral in September 1997.

### **School Summer Holidays**

A word to all the staff, students, parents, guardians BOM and everyone who helps in the running of our schools. During Covid, we all become more aware just how important and essential the role of school plays in a community, which often goes unnoticed and unacknowledged. We are fortunate here in the parish to have 3 outstanding schools. Thank you for the past year, for your dedication and commitment. The parish would like to welcome all new students, parents and guardians and wish all those moving on to other pastures, especially those entering secondary schools, the very best. Wishing everyone an enjoyable and safe summer.

### **Choir Summer Holidays**

The parish is blessed and privileged to have a choir in each of our churches. Choirs and music as we all know contribute so much to a liturgy, creating an uplifting environment. This was particularly noticeable during Covid when churches were closed, and liturgies were severely restricted. Out of all the ministries, choir requires a year-long commitment, so deservedly so, they take the summer off. Thank you for your commitment and sharing your time and talent with us. Look forward to seeing you in autumn.

### **Did you know:**

The filling in Kit Kats is made from damaged Kit Kats! Whenever a Kit Kat bar is somehow made imperfect during production, the chocolate bar isn't thrown out. Instead, they're ground up into a fine paste and turned into a filling that's then incorporated back into the production process to create new Kit Kat bars!
