BEATIFICATION PRAYER

Dear Jesus, the Venerable Patrick Peyton devoted his priestly life to strengthening the families of the world by calling them to pray together everyday, especially the Rosary. His message is as important for us now as it was during his life on earth. We beg you, therefore, to hasten the day of his beatification, so that your faithful people everywhere will remember his message that *the family that prays together stays together*, will imitate him in his devotion to your Mother and ours, and will be inspired by his holy life to draw ever closer to you with childlike confidence and love. Amen
