Email educationtph@museum.ie

To meet and to welcome Jesus, "the bread of life" gives meaning and hope to our lives that are sometimes tortuous; but this "bread of life" – he said - also gives us the duty to satisfy the spiritual and material needs of our brothers. To do this – he said- we must announce the Gospel everywhere, and with the witness of a fraternal attitude of solidarity towards our neighbour, we can make Christ and his love present amongst all. **Pope Francis**
