HAPPY FATHER'S DAY

Wishing all Dads and Granddads a very happy Father's Day today. We hope you all have a lovely day! Congrats to all new Dads on your 1st Father's Day. We think especially of all those who have lost their Dads and those Dads who have lost a child, particularly since last Father's Day. You are in our prayers.

Riddle me this:

Two men are in a desert. They both have backpacks on. One of the guys is dead. The guy who is alive has his backpack open and the guy who is dead has his backpack closed. What is in the dead man's backpack?

(Last week's answer: A Postman/Postwoman)

Did you know:

Before alarm clocks existed, people used nails fixed into candles to wake up. They knew how to calculate the burning time and put the nail in the right position. As the candle melted, the nail fell, made a noise, and woke its owner.
