**Recipe for kindness** 

*Chop one grudge in tiny pieces, add several cups of love, dredge with a large sized smile, and mix the ingredients above.*

*Dissolve the hate within you, by doing a very good deed, dash in some help for any friend, if they should be in need.*

*Stir in laughter, love and kindness, from heart it has to come, mix with genuine forgiveness, and give your neighbour some.*

*The amount of people you can serve, from the recipe above, is in the quality of its ingredients, and unlimited amounts of love.*

*This recipe is for the whole wide world, for everyone to make, just get it all together, and cook for God's own sake!*
