JUST A THOUGHT

There was a farmer who grew excellent quality corn. Every year he won the award for the best grown corn. One year a newspaper reporter interviewed him and learned something interesting about how he grew it. The reporter discovered that the farmer shared his seed corn with his neighbours. "How can you afford to share your best seed corn with your neighbours when they are entering corn in competition with yours each year?" the reporter asked. "Why sir," said the farmer, "Didn't you know? The wind picks up pollen from the ripening corn and swirls it from field to field. If my neighbours grow inferior corn, cross-pollination will steadily degrade the quality of my corn. If I am to grow good corn, I must help my neighbours grow good corn."

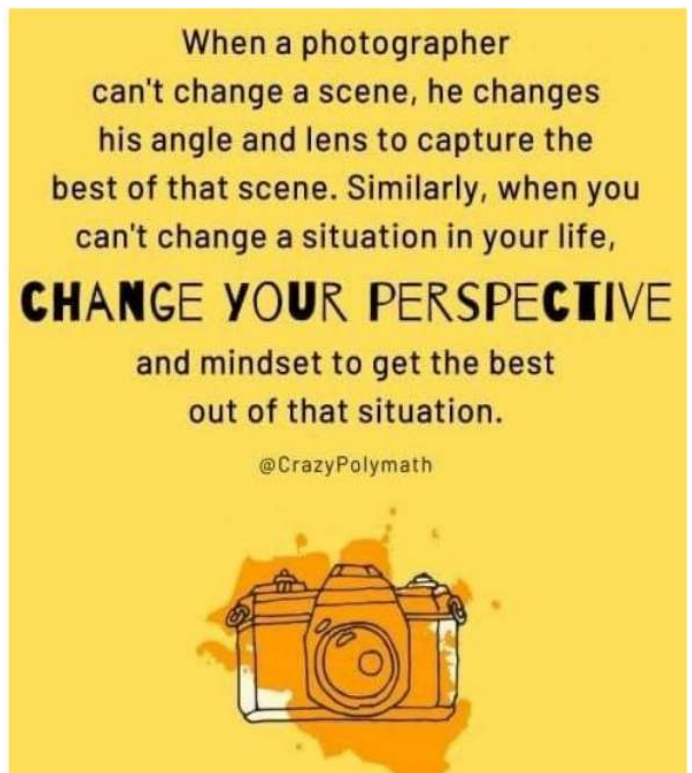

So is with our lives... Those who want to live meaningfully and well must help enrich the lives of others, for the value of a life is measured by the lives it touches. And those who choose to be happy must help others find happiness, for the welfare of each is bound up with the welfare of all. *Author Unknown*

PIONEER PLEDGE: Many people in Ireland offer spiritual support to a relation who is struggling because of alcohol or an addiction problem.

"**Offering it up for the Holy Souls**" or "**off the drink for Lent**" are expressions which remind us that "*the bonds of friendship and affection do not unravel with death*" ... **or with addiction or sickness.**

Prayer and penance have been part of the response by many Irish families to the challenges which they have met across the centuries as way of to express support and empathise through experiencing personal struggle.

This tradition is also part of the journey of Lent or of Advent. Pilgrimages to Lough Derg, Croagh Patrick and other holy sites allowed people to "carry the intentions" of their family in prayer.

Many families, for example, will choose to abstain from alcohol in order to support a relation who is making their way through the 12 steps of the AA programme. During the past year, Pioneers have been growing familiar with these 12 steps through the pages of the Pioneer calendar.

The 'November Pledge' is taken with a similar intention and purpose. This time, '**for the Holy Souls**'. Parishioners who wish to take a **short-term Pioneer pledge during the month of the Holy Souls** are [welcome to contact us here](https://www.pioneers.ie/) (https://www.pioneers.ie/) for more information. We will be glad to provide you with our newsletter or other resources which will support your journey. We will pray for you and for the person whom you are "carrying in prayer" at this time.

Please take home your mass leaflet to reflect on the readings and prayers from today's service.

PLEASE REMEMBER WITH A PRAYER THOSE WHO DIED ON THIS WEEK IN FORMER YEARS

WE WILL ALWAYS REMEMBER THEM:

Every single person alive on this earth at some point in his or her life will experience deep and profound grief and that is because we all know deep and profound love. To lose that which we love so deeply brings a pain beyond comprehension and beyond words. This month we pray not alone for the deceased but those who loved them, cared for them and cherish them in their hearts.

ON PASSING A GRAVEYARD

May perpetual light shine upon
The faces of all who rest here.
May the lives they lived
Unfold further in spirit.
May all their past travails
Find ease in the kindness of clay.
May the remembering earth
Mind every memory they
brought.
May the rains from the heavens
Fall gently upon them.
May the wildflowers and grasses
Whisper their wishes into light.
May we reverence the village of
presence In the stillness
of this silent field.

Would your child(ren) be interested in becoming an altar server?

Pupils from third class upward are welcome to become altar servers – no experience necessary!

It is a long tradition in families that children become altar servers, just as their mom and dad before them. Altar servers have a long history in the church and in celebration of various liturgies, especially on weekends. Apart from enhancing the way liturgy is celebrated, becoming an altar server allows a child to grow in confidence and self-esteem by working and carrying out various activities in public, along with learning collaboration, teamwork, cooperation, and communication skills that are the basic blocks of society and the social framework.

The aim, depending on numbers, will be to form teams that will be put into a Rota. It would be hoped that each team would have pupils from various classes allowing the students to learn from each other. While this will be the guide in forming teams, every effort will be made to accommodate pupils and parents/guardians.

Finally, in line with child safety policy, each team is required to have TWO adult supervisors. Clergy count as 1, so another adult is required. The previous policy whereby parents/guardians of a team would take it in turns to be supervisor will NO LONGER be necessary. This is due to several parents volunteering to take this role. This means that if your child wishes to become an altar server, it will not necessitate you being Garda Vetted. If your child is interested, or you have further questions feel free to contact the parish at parishofshurle3@gmail.com.
