In today's readings, Love shown in the members of the church enables the community to be seen as disciples of Christ. Mutual love within the community overflows to the whole world. Christian charity helps to ease the burden of suffering and eliminate many of its causes.

Pastoral visits to the sick and housebound are an important part of Parish life. Anyone who was receiving a pastoral visit by Fr. Chris before the virus & would like to receive the Sacraments again need to contact the Priest & make the necessary arrangements.
