In his **message for World Communications Day**, Pope Francis says Jesus' invitation to "*Come and see*" is the way by which the Christian faith is communicated. "*This year,*" says Pope Francis, "*I would like to devote this Message to the invitation to 'come and see', which can serve as an inspiration for all communication that strives to be clear and honest, in the press, on the internet, in the Church's daily preaching and in political or social communication.*"

### **Social Media Prayer**
