New Pilgrim Path Website of the Week, Sunday, June 11th: *A Grateful Day* "It is not happiness that makes us grateful. It is gratefulness that makes us happy. Every moment is a gift. ... Whatever life gives to you, you can respond with joy. Joy is the happiness that does not depend on what happens. It is the grateful response to the opportunity that life offers you at this moment."

An Austro-American Benedictine monk, author and lecturer, now 96-year old Brother David Steindl-Rast was formed by 20th-century catastrophes. Privations he experienced in youth during the Second World War were magnified by the tensions of him being one-fourth Jewish. Deeply committed to inter-faith dialogue, Brother David co-founded in 2000 A Network for Grateful Living, an organisation dedicated to gratefulness as a transformative influence for individuals and society. The organisation offers practices and resources for those seeking a more awake, joyful, and meaning-filled life. Listen to his beautiful short video reflection on living a grateful day at: www.newpilgrimpath.ie.

Congratulations to the Students of Ss. Peter & Paul N.S. who launched their interactive, inclusive art exhibition based on the theme of Social Justice in the Davitt Museum on Thursday, June 1st. The launch of the Michael Davitt Social Justice Flag is a huge achievement for the children. We are delighted to hear that the flag, designed by students in Ss. Peter & Paul N.S., will be rolled out to schools around Mayo. It's an honour to be part of this project to continue the work of Michael Davitt in his home village and beyond. Thank you to all the community for your continued support. If you haven't seen the exhibition, call in before June 14th to celebrate the fantastic hard work of the students of Straide. (Mrs. Caithriona Murrhy, Principal)
