March 23 / 61

Dear Sir,

while calling to bear testimony to the
attention to the spirituality as well as the temporal
requirements of the inmates of the Workhouse since
I now became connected with the Institution, I
found it necessary to request that you will please in
future, to regulate your calls for the ministrations
of the Priest,

For some time back it has almost become
the systematic practice to send for the Priest by
night - not commonly at an advanced hour
of the night, when the number in the Workhouse
was five or six times larger than at present we
used not to get one tenth the number of night
calls which have been sent since you became
Master, This may proceed from your nervous
anxiety to avoid any real or imaginary cause
of complaint on the score of the religious wants
or wishes of the Paupers. So far I praise your
zeal: but you must moderate it,

Allow me therefore to suggest that after
the Doctor takes his rounds in the time (say about
10 o'clock) to ascertain if any patient requires
to be attended by a Priest; and if so - let the
note which need not be sealed or closed at all -
be sent before three O.C. P.M.,

Should the call be attended to: for
unless such timely notice be given (except
in case of a sudden attack or some emergency,
no patient shall in future be attended in the

Baltimore Workhouse
11th April 1841.

Gentlemen,

I beg to report that since the last Meeting of the Board, it resolved in consequence of the Bread supplied for the Workhouse, on account of inferior quality and badly baked;

I am Gentlemen,
Your obedient Servant,
Wm. ...

J. Sheppard of Guardians
Baltimore Union,

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk and directions given in answer to them respectively to the following effect for Orders made on them respectively as follows:

Circular Letter from Poor Law Commissioners of 7th 11/61. dated 3rd April. 1861. on the subject of the Census of 1861.

Circular Letter from same of 6th 11/61. dated 3rd April. 1861. requesting to be furnished with a Return relating to Deaf and Dumb Children,

Circular Letter from same of 6th 11/61. dated 5th April. 1861. explanatory of the nature of the Return relating to Deaf and Dumb Children called for in their Circular of the 3rd inst.

Letter from Poor Law Commissioners of 7th 11/61. dated 3rd April. 1861. stating that they are of opinion that Eggs are not a good substitute for new Milk, and recommending for the Guardians consideration, — in the event of the Contractor's again failing to supply the required quantity of Milk, the propriety of giving bread and butter and tea, and the advice of the Medical Officers, to the inmates who may be deprived of their usual allowance of Milk,

In reply to the above Letter, the Board to have to inform the Comrs., that Eggs are not used for the dinner Meal of the Workhouse inmates, and that each inmate deprived of his usual allowance of Milk (1 pint) gets 2 Eggs in lieu of it,

The Board has to add that while bread is used for the dinner Meal, and Eggs with it, approaches nearer to the ordinary diet of the poorer classes in the country than tea & butter,

the substitution of Eggs for Milk in the Workhouse diet, has been approved of by the Medical Officers.

It is to be hoped that the partial deficiency at present existing in the supply of Milk will altogether cease in about 3 weeks — if this be the case the supply of Milk in the Country is not likely to be affected.

Letter from Poor Law Commissioners of 7th 11/61. dated 10th April. 1861. referring to a report of the Workhouse Master in relation to the case of an inmate named Catty, who died within the Workhouse, and who had been visited by the Poor Law Commissioners.

and inquiring at what time the Medical Officer visited the Workhouse on the 29th ultimo, the Clerk informs the Board that he replied to the Commissioners Letter,

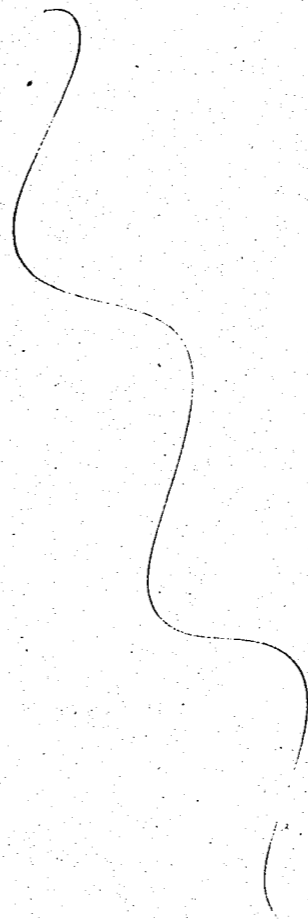

It appearing to the Board that the period allowed for completing the collection of the current Rates in the Parishes of Messrs. Nuttall and Gudgey, has expired since the 6th ultimo, It is therefore Resolved that these Collectors be respectively called upon to collect the Rates now outstanding in each of their Parishes, and to lodge same with the Treasurers, on or before the 30th inst. That they also be required to attend the Meeting of the Board of Guardians which will be held on the 2nd proximo, in order to hand up to the Chairman their several Collecting Warrants,

Ballinacree 25th April 1841

Gentlemen,

I have read the Letter of the Poor Law Commissioners of yesterday's date, and in compliance with it, respectfully offer the following explanation as to my attendance at the Workhouse from 1st January last, to the 17th instant,

On 19 Occasions, my visits occurred after 12 o'clock, — these were chiefly Sundays, and my principal reason for late visits on these days, was, that it might have an opportunity

10

of seeing the soup, which was prepared for the patients dinner; I shall gladly, if the Commissioners so direct it, alter this course and adhere strictly to the 68th Article of the Workhouse Regulations,

On the several occasions on which I was absent, I have a distinct recollection of the cause of the, — I was never caused by illness. — one by the accidental breaking down of my coach, and one by the serious illness of a patient in private practice whom I could not leave without danger to her life. I may remark that on all these occasions, the Hospital was attended by Doct^r Ralph, who with your sanction and that of the Commissioners, attends whenever I obtain leave of absence,

I am, &c. &c. Doct^r G. M'Laughan
