The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

The following Letters, from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively, as follows):—

Letter from Local Government Board, 11<sup>th</sup> 19. 128 / 1878, dated 17<sup>th</sup> September 1878, referring to the observations made by the District Inspector and his recent inspection of the workhouse schools, and stating that if the irregularities in the Female Department were of the nature reported by the Inspector, and the school Board in the district were derelict in their duty, it is quite evident that the Teacher has been culpably negligent in the discharge of her duties, and stating that they have been in communication with their Inspector P. Brady, and the subject and he states that it is not at all unlikely that since the Schoolmistress's marriage with Mr. Mills, who resides in Ballinacree, she devotes more of her time to family affairs than she does to her school.

The Local Government Board therefore—

Recommend

Recommend the Guardians to consider the propriety of calling on the Schoolmistress for her resignation.

Referring to the foregoing Letter it is Resolved that inasmuch as the Schoolmistress has hitherto discharged her duties in the most satisfactory manner, as appears from the Reports made by the District Inspector and the Female School since her appointment in 1868, the Board of Guardians regrets that it cannot concur with the views of the Local Government Board in calling for her resignation.

Resolved, that a copy of the Local Government Board's Letter of the 17<sup>th</sup> Instant, be forwarded to the Schoolmistress, with an intimation that the Board of Guardians will hold serious notice of the occurrence of any neglect of duty on her part.

Resolved that the Treasurer be requested to permit the Board of Guardians to over-draft their Account to the extent of Five Hundred Pounds, for a period of two months from the 29<sup>th</sup> Instant.

Resolved that the current Order for obtaining supplies for 1879 ending 29<sup>th</sup> September 1879, be given to Mr. P. Kelly of Drogheda, of Ballinacree.

The several Tenders for workhouse supplies, Mr. Harvey Green having been approved and awarded, it was Resolved that the following be accepted for one year from 29<sup>th</sup> Sept. 1878 to 29<sup>th</sup> Sept. 1879

Read Letter from Mr. J. J. Corwin of which the following is a copy:—

Blayhams, Strand  
 5<sup>th</sup> December, 1855.

Sir,

It appearing by Mr. Keen's letter of the 25<sup>th</sup> inst., that the decision of the Local Government in reference to the recent election of a Medical Officer for the Hollymount Dispensary district is based upon an erroneous impression as to a most important fact, I have at the request of five Members of the Committee written to the Local Government Board on the subject, in common with other members of the Committee of which I am the Secretary, the following statement to set the Local Government Board right as to what occurred on the 9<sup>th</sup> inst. as the mistake may have arisen from the reading of the Minutes of that day for a copy prepared by him.

The following Orders of the Local Government Board for Ireland, under the Medical Charities Act, were laid before the Board, and directions given as follows:

Order dated \_\_\_\_\_ (state subject)

Whatever the decision of the Local Government Board may eventually be on the point in controversy, it is of course desirable that it should be arrived at on an accurate and explicit statement of the facts.

I am, Sir,
