### CUSTOMS, PATTERNS, ETC.

*Brief account of old customs, traditional cures, etc., still practised in the district. Pilgrimages to Holy Wells, Shrines, etc. Patterns.*

There are some holy wells in the parish but the practice of making pilgrimages or patterns at them has died out. One well, that opposite Mr Padden's house at Crosspatrick, is said to have been the place at which St. Patrick is supposed to have performed miracles by curing two men of their respective blindness and lameness.
