Re Costs

Dear Mr Walsh

Will you please ascertain to-morrow when I may expect to be paid the amounts of the two bills of costs I furnished to the Guardian & District Council on the 30<sup>th</sup> March last. I am aware they were both sent to Mr Barry to be taxed but I think I may have without being unreasonable that the taxation ought to be over long since. I believe that if a member from each Board met me in a friendly way to discuss the matter we could settle it to the satisfaction of every one in five minutes for I assure you I have

wish or intention of being unreasonable

Yours faithfully

Timothy J. Keene
