**To: The Cathaoirleach and Members of the Ballina Municipal District.**

Dear Member,

It is a great privilege for me to introduce the Annual Report for 2017. This Annual Report details the wide variety of services provided by Mayo County Council to the people of Ballina Municipal District.

The allocation of funding in 2017 under a number of schemes such as the Town and Village Renewal and CLÁR gave a much-needed boost to our smaller communities.

Of course 2017 saw Attymass win the significant 2017 Pride of Place Award for villages with a population of less than 300 and it gives me great pleasure to congratulate Attymass on this momentous achievement. I would also like to commend the Jackie Clarke Collection on being awarded the Green Flag for Parks administered by An Taisce. This award recognises the provision of good quality parks and green spaces that are managed in environmentally sustainable ways.

Ballina MD welcomed Mr. Tom Gilligan as Director of Service in 2017. Mr. Gilligan took over from Mr. Peter Duggan and I would like to thank him for his service to the District.

I would also like to thank the elected members and the staff of Ballina Municipal District for their ongoing co-operation and support and their commitment to serving the people of the District. I would particularly like to acknowledge our staff's competent response to Storm Ophelia.

Whilst we have come through difficult times and many people are still experiencing the consequences of the recession, there is a slight increase in economic activity. Ballina MD can look forward to 2018 when we will see many important projects complete and new ones commence.

Carmel Murphy  
A/Head of Ballina Municipal District

**Housing Stock**

As of 31st December 2017 there were 608 units of housing stock within Ballina Municipal District. This figure reflects an increase of 3 no. properties since 2016, 5 no. of which the Council acquired - 1 no. in Swinford area and 4 no. in Ballina urban, less 2 dwelling houses purchased under the Tenant Purchase Scheme.

**Tenancies**

A total of 22 no. permanent tenancies were allocated in 2017. The provision of these properties was possible through the acquisition of 5 properties and the refurbishment and return to productive use of vacant houses through the 'voids programme' together with properties which became vacant throughout the year.

**Refugee Resettlement**

In keeping with Government Policy and the targets set for County Mayo, 4 families were accommodated in Ballina in June 2017.

An Interagency Group, chaired by Mayo County Council, which has representatives from all the Agencies working in this area, including staff from Mayo County Council Housing Section in Ballina and Housing Central Office and a Refugee Resource Worker ensured the relatively seamless transition of the refugee families into the area.

The continued support of the Refugee Resource Worker has resulted in the successful integration of the families into Irish Society.

**Homelessness BMD**

Ballina Municipal District experienced a high volume of homeless presentations during the course of the year.

Circumstances surrounding homeless presentations vary from notice to quits, bank repossessions, poor accommodation, domestic violence etc. An evaluation of a client's situation is categorised as non-emergency, short term emergency need and long-term emergency need.

In the case of clients who have been assessed as having a long-term emergency need, emergency accommodation in the form of a Caretaker Agreements within designated Emergency accommodation stock is offered on a week to week basis. This allows the clients to source alternative Private Rented Accommodation for long term occupation. Ongoing contact is maintained with the client and continuing support is provided daily to assist where possible. Dealing with Landlords, HSE, An Garda Siochana, Social Workers is crucial in securing long term private rented accommodation for the clients.

Within BMD there are currently No. 6 units available within our stock to accommodate clients in need of emergency accommodation on a longer-term basis. We initially started with No.2 units in 2015 with this number increasing yearly. The units are fitted with white goods and bedding and are situated at 6 locations throughout the District.

Over 70 homeless presentations including 38 new presentations were dealt with within BMD in 2017. Some presentations were repeats and were dealt with in the same way each time they presented.

A total of No. 8 clients (in addition to those awarded permanent tenancies) were accommodated by way of interim Emergency Accommodation from within BMD stock and 20 were given short term accommodation.

When dealing with homeless clients liaising with Mayo County Council's Tenancy Sustainment Officer proves beneficial in ensuring that all homeless or those in danger of becoming homeless are provided with every available support in order to assist in sustaining tenancies. BMD have been very successful in assisting individuals and moving them onto private rented accommodation supported by the Tenant Sustainment Officer despite the difficulties in the private rented market.

## **HOUSING**

### **Introduction:**

The core objectives of National Housing Policy have focused on the principal that every household will have access to secure good quality Housing suited to their needs at an affordable price in a sustainable community.

The key objectives focus on Affordability and Quality of Accommodation, Tenure Options and principals of Sustainable Communities.

In addition to the traditional provision of Local Authority Housing and Voluntary Housing (by Approved Housing Bodies), there has been an expansion of Schemes such as the Rental Accommodation Scheme (RAS) , the Social Housing Leasing Initiative (SHLI), and (HAP) Housing Assistance Payment (HAP).

These Schemes continue to provide housing assistance (in addition to the Council's Social Housing Stock) during 2017, in order to meet demand for Social Housing. Engagement with the Voluntary / Co-Operative and private sectors in terms of meeting future social housing need is also being strongly promoted.

In the Claremorris Municipal District Area, Local Authority Housing Services are delivered through Local Authority Offices at:

*Kilcolman Road, Claremorris    094 93 72310*  
*Kilmaine Road, Ballinrobe    094 95 41111*

### ***Housing Stock:***

As of 31<sup>st</sup> December 2017 there were 420 Units of Local Authority Housing Stock within the Claremorris Municipal District.

### ***Voids Programme/Casual Vacancies:***

The Voids Programme is funded by the Department of the Environment in order to return vacant and boarded up social housing units to productive use.

In addition Mayo County Council provides funding from internal receipts for these works.

### ***Energy Efficiency Programme/Central Heating Programme:***

The Energy Efficiency Programme was introduced by the Department of the Environment to assist Local Authorities in providing and funding works for upgrading the energy efficiency of tenanted dwellings.

The Central Heating programme was started in 2015 to provide central heating to older housing stock owned by Local Authorities. A number of properties were identified in the Claremorris District and works were carried out during 2017.

### ***Housing Grant Schemes:***

Mayo County Council continues to provide funding under the following three schemes:

- Housing Aid for Older People
  - Mobility Aids
- Housing Adaptation for Persons with a Disability

Properties were approved for funding in 2017 at an estimated cost of €399,538.

### **Refurbishment of Parkview, Charlestown**

This Project has resulted in a reduction in the number of housing units in Parkview Estate from 42 to 35. The overall mix of 35 Tenant/Owner Occupied housing units now have enhanced energy efficiency through the provision of

Increased wall and roof insulation  
Insulation to new water tanks and hot water pipes  
Solar panels to suitably oriented units.

This project has resulted in a major transformation of a Housing Estate which was in considerable decline, where tenancies could not be allocated or sustained. The Estate is now a much sought after location for those seeking Local Authority Dwelling in the Charlestown Area.

**Traveller Accommodation:**

Mayo County Council has continued to provide for the Accommodation needs of Travellers using the full range of Housing Options available. Very significant progress has been made in this area since the first Accommodation Plan was adopted.

***Laveymore Charlestown***

***2016 Tenant (Incremental) Purchase Scheme:***

The Tenant (Incremental) Purchase Scheme was introduced in January 2016 in order that Tenants of Local Authority Houses can purchase the property.

**Walk-in Planning Clinics.** Continue to be held each Wednesday morning at Ballinrobe and Claremorris Offices. The Clinics are administered on a first come-first served basis, and they have eliminated waiting times for consultations with Planners. They also reduce the number of telephone and written queries to the Planning Office as the Planners are available for consultations with the public on a weekly basis.

## ***Water Services***

### **Irish Water:**

The complete re-organisation of the Water Sector nationwide and the establishment of a national Water Utility is the biggest single change to the Local Government Sector since the establishment of the Local Authority System in 1898. It involved -

- The establishment of a new Water Utility (Irish Water) to take over responsibility for the delivery of Water Services.
- The introduction of a sustainable funding model to support increased investment in Water Services to underpin job creation and statutory compliance.
- The introduction of independent economic regulation of the Water Sector under the Commission on Energy Regulation.
- The introduction of a charging regime for Domestic Consumers

Irish Water was established on 1<sup>st</sup> January 2014, Mayo County Council's Water Services assets and liabilities transferred to Irish Water in accordance with legislation enacted. Mayo County Council will operate and maintain the Public Water Services in County Mayo on behalf of Irish Water under the terms of a Service Level Agreement signed.

Mayo County Council will continue to have a role in the planning of Water Services Investment Programmes and the final decision on the priority of schemes will be made by Irish Water. Mayo County Council Staff in the Claremorris Municipal District continued to operate and maintain all of the Water Services infrastructure in

the District during 2016.

### **Water Service Capital Programme:**

#### **Schemes in progress in 2017 in Claremorris Municipal District:**

Water Conservation Package 4 –Taugheen and extension of Lough Mask to Castlerea Environs.

#### **Schemes to commence in 2017/2018**

Belmullet, Foxford, Charlestown Sewerage Scheme – DBO Bundle

An Annual Service Plan detailing the operation and maintenance of each Water and Sewerage Scheme was also agreed with Irish Water. The plan sets out all necessary works to be undertaken so as to comply with Drinking Water Standards and Statutory Regulations in the Water Services domain.

## ***Planning and Economic Development***

The emphasis within the Planning Section has dramatically changed from the Planning Control function (processing of planning applications) to assisting development by working closely with Developers, Receivers and Liquidators and by agreeing programmes of work to secure the satisfactory completion of Estates up to a standard to have them taken in charge by the Council.

Mayo County Council have taken in Charge the following Estates in Claremorris Municipal District. This has improved the standard of Housing Estates throughout the Claremorris Municipal District and also improved the local environment for very many residents. It has also eliminated many Health and Safety Risks on sites through the reduction in the number of unfinished Estates.

## West Mayo Municipal District

### Annual Report 2017

This report is a summary of the main highlights during what was a very busy year in 2017.

Significant progress was made across the entire range of services and programmes the municipal district is involved in. This includes roads, housing, water services, environment, community and enterprise, marine, planning etc. We also continued to work closely with communities, tidy towns groups etc. for the betterment of their local areas.

Detailed reports on the various programmes such as housing, roads etc will be prepared by the relevant heads of function for inclusion in the Mayo County Council Annual Report 2017. Set out below are highlights only for 2017 for the West Mayo Municipal District.

#### Great Western Greenway

Work continued on the development of the Great Western Greenway during 2017 including its extension from Polranny to Achill Sound and the development of over 2km of new Greenway on Achill Island at Saile.

This work was carried out by outdoor staff from the West Mayo Municipal District funded through the Local improvement and Outdoor Recreational Infrastructure funding schemes of the Department of Rural and Community Development at a cost of €205,000.

The new Greenway from Polranny to Achill Sound means that the entire length of Greenway from Mulranny to Achill Sound is segregated from the busy R319 regional road.

## Rural Housing Construction

Mayo County Council recommenced the construction of rural houses as part of its housing capital programme after a number of years and 2017 saw the completion of a dwelling at Claggan, Ballycroy, one of a number of rural dwellings currently in progress. These houses are modern and highly energy efficient with heat recovery ventilation and renewable energy in the form of solar panels.

## Westport 250

An advertisement that appeared in Faulkner's Dublin Journal on March 17th 1767 and discovered by local historian John Mayock was what prompted West Mayo Municipal District /Mayo County Council to mark the date of 1767 as the establishment of the 'new' town of Westport.

The objective by West Mayo Municipal District was that this 250-year anniversary remembered the major contributors and milestones in Westport's evolution into the award-winning town that it is today through historical projects, major events and a national promotional campaign.

A celebration and recognition of the community had to be at the centre of the event. The local authority decided to adopt a partnership approach in setting up a committee that would reflect the whole of the town. Members of the committee were drawn from a host of community, sporting and voluntary groups.

### Extensive Festival Programme

The Westport 250 celebrations embraced and enhanced the very extensive existing programme of events i.e. Mayo Day, Grainne Ale Beer Festival, Folk & Bluegrass Festival, Sea Angling Festival, Food Festival, Chamber Music; Arts Festival; Rolling Sun Book Festival. The adventure activity events were also given additional support - Duathlon Series, National Series Triathlon, Gael Force, The Last One Running, and Sea2Summit. The town welcomed many thousands of visitors to events like the International Mini Meet; the Harvest American Country Music Festival and the Westport Airshow.

A special emphasis was placed on establishing legacy festival events. April saw the launch of a very successful Children's Arts Festival 'Mac Lui'. In September a great Street Carnival was staged showcasing the many food offerings in the town. In the same month representatives from several Westports came to our town to celebrate the 250th birthday as part of the Westports of the World Convention.

Two conferences of national significance were also held the National Tidy Towns Conference took place in April and the Irish Georgian Society organised a conference/study day entitled 'celebrating 250 years of the Browne Family and the Town of Westport'.

A lasting reminder of Westport 250 is the Leeson Enterprise Centre, named after the architect responsible for the original town plan in 1767, William Leeson. The centre provides space for start-up business and entrepreneurs. It has capacity to accommodate ten individual offices/fourteen 'hot-desks' co-working, a large training/classroom with high-speed broadband.

Local photographer Conor McKeown has captured local residents over the year and his collection of portraits, 'Meet the People', formed an exhibition at The Custom House Art Studios, later to be published in a compendium.

Westport pianist Richard Hughes composed a special collection of classical music entitled 'The Westport Suite' which was performed at a sell-out concert in Westport Town Hall Theatre.

The positive outcomes from Westport 250 have been felt and recognised not alone by the local residents of West Mayo but regionally and even nationally. All areas of commercial life agree that the event enhanced their business in 2017. Huge interaction in the media - radio, print and social meant that Westport is acknowledged as a very progressive community working in partnership to the betterment of it's people.

## Leeson Centre for entrepreneurship and start-ups

The **Leeson Enterprise Centre**, Altamont Street, Westport welcomed its first tenants in June 2017. The centre was developed by Westport Multi-Agency Enterprise Group (WMAEG) and funded by Enterprise Ireland, Mayo County Council (and former Westport Town Council), Westport Chamber of Commerce and the Department of Arts, Heritage, Regional, Rural and Gaeltacht Affairs.

Mayo County Council architect Noelle Angley has created a bright and well-laid out workspace. The 8,000 ft<sup>2</sup> facility is fully accessible over two floors and is located across from Westport Train Station. Westport Chamber of Commerce is charged with the day-to-day running of the facility.

Designed to support entrepreneurs and start-ups by creating an environment of innovation and business, the hub houses a modern ecosystem with a combination of eight private units, up to fourteen shared and co-working desks, and meeting, training and conference rooms. High-speed fibre-optic internet, enabling the delivery of one gigabit-per-second is also on offer, as Castlebar based ISP Westnet played an important part in ensuring this innovative broadband service from the offset.

The Centre is now at 85% occupancy providing space for a number of start-up businesses both in private units and hot-desk areas. The businesses include Health and Safety Training and Consultancy Services, Intellectual Property Specialist, Online Education and Training, Engineering Design Consultancy and a Global Payroll Business. Approximately thirty people now work in the Centre and support and mentoring is provided to the start-ups by Enterprise Ireland, the Local Enterprise Office and IIBC.

### About William Leeson

The Leeson Enterprise Centre takes its name from the 18<sup>th</sup> century architect William Leeson. On March 17<sup>th</sup> 1767 the 2<sup>nd</sup> Earl of Altamont Peter Browne-Kelly placed an advertisement in Faulkner's Dublin Journal seeking tradesmen to build the new town in Westport to the plans of William Leeson. As a legacy to the memory of William Leeson and to celebrate the 250<sup>th</sup> anniversary the new town of Westport, it was agreed that the centre should bear the name Leeson. This state-of-the-art modern building is a fitting legacy to Mr. Leeson.

## Frenchport Pier

The Sustainable Energy Authority of Ireland (SEAI) is developing a Wave Energy Test Site off the west coast of Ireland near Annagh Head in County Mayo (west of Belmullet). The wave energy test site is a facility to provide prospective developers with a grid connection and licensed test area location to test their full-scale prototype wave energy converters. Easy access to the test site for maintenance, setting up and checking of equipment from Frenchport Pier was required and now enhancement works are completed.

SEAI and Mayo County Council joined forces to fund and execute the project. SEAI agreed to provide €682,954 and Mayo County Council provided €137,365. Mayo County Council's outdoor staff were responsible for the civil engineering and construction works.

An extension of 8 metres to the Pier and a new slipway were constructed together with all ancillary services. Mayo County Council along with Langan Consulting Engineers Ltd completed the Project.
