SOLICITOR.

~~Private~~

Sir,

I am extremely sorry
that Mr. Taylor's property under
your name in the 18th & 19th
of 1841 is to be, but he is
quite willing to pay the same
due to the Government for the
period during which he was
in hospital but he offers
nothing for the arrears but
the value of his claim against
them shall be paid.

Yours
G. F. Tuohy

The Guardians

Dear Sir

By the merest accident
I just seen in the western
People that the Guardians
have a Cross Claim against
the plaintiff herein for
maintenance and that he
has actually written agreeing
to pay same. If this is a fact
I should have been told of
it when you sent me the
Cave Bill because I can
serve

the Plaintiffs solicitor
with a Notice of set off
for the amount of the Cross
Claim and I believe the
County Court Judge will
allow the set off if I
had not seen the report -
I would be late to serve
the notice and the Guardians
would be obliged to bring an
action to recover the amount
and even if successful might
be very likely unsuccessful
in trying to realize the amount
of the Decree out of Mr Judge
Kindly furnish me with full
Particulars & dates of the Cross
Claim at once yours faithfully
J West Jay
