with the wall, however, or sides of the four houses adjacent which it passes, and therefore is only an outlet for the surface water of the stream.

No doubt the water of the Millbrook after heavy rain must become discoloured owing to the silt, &c. caused down by the flood, but this occurs occasionally only, and must always happen when surface water has only one outlet, namely:- into a running stream. I have noticed a few houses after a fall of rain this discolouration is swept away owing to the rapidity of the current, and the river is left as free and clear as it was before the rain.

The Report of the Visiting Committee was read, and Orders were made thereon as follows:—

The Reports of the Master and other Officers were read, and Orders made thereon as follows:—

The Report from the Alms House was read.

The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively as follows):—

Directorial Letter from Local Government Board 117 149 2185 - dated 23 April 1885. directing to their Directorial Letter of the 11th of April, enclosing a copy of a letter addressed to them by the Chief Secretary to the Local Government, relating to the duties of Clerks of Divisions under the Representation of the People Act, 1872 and of arranging for the further information and assistance of Clerks of Divisions, a copy of a communication dated the 21st April, and the same subject.

Letter from same, 117 149 250 85 dated 22 April 1885 - regarding the Report of the Clerks of Divisions that they have received the 11th of April Report of their Inspector, Captain Sampson,

and the Division which is of a generally satisfactory character as regards the arrangement and present condition of the workhouse (Captain Sampson) calls attention to the fact that the Board has not been notified since the last audit of the Division Clerks in September 1884, and this omission should be remedied immediately.

With reference to the present terms of the conditions relating to the alterations proposed by the altered out-let and prospectively, Captain Sampson reports that the present arrangement seems suitable and convenient, and he does not think any change would be required by change. There would be no objection to do so, but it does not seem to be necessary to disturb the existing arrangements.

Letter from J. Wall, Esq., (transmitted at Dublin), dated 21 May 1885. enclosing therewith, for the use of the Board of Divisions, the Abstract of the valuation of the several Electoral Divisions contained in the Electoral Division, in accordance with the Revision as completed for the present year.

Referring to the Local Government Board's letter of the 29th of May 1885, the Clerk transmitted the Chief Clerk, from which it appears that he has made considerable progress in the Division for the past year, and he stated that the other Clerks would be ready during the ensuing week.

The Report of the Clerks of Divisions with relation to the present terms of the conditions proposed by the altered out-let and prospectively, and therefore, that it seems better to disturb the present arrangement. All steps of Clerks discussed with this view, considering that the alterations should have been reported on the former side of the workhouse.

Resolved subject to the approval of the Local Government -
that Mr. Thomas Hynes, be paid a sum of One
hundred, New Shillings, as remuneration for his services as Companion
of the Hospital during a vacancy in that office from 26th
March, 1865, to 16th April, 1865, inclusive.

The Bonds and other securities in force were laid before the Guardians by the Clerk, together
with his Report thereon as follows: (this on the second Meeting after the Annual Election
every year.)

Resolved, that Mr. John, Clerk of the Court, be granted leave of absence
from Saturday the 15th July until Monday the 25th July, and that
Mr. John Kelly, from Relieving Officer, be appointed to act as
Clerk of the Court during all days absence, Mr. Kelly not
requiring any remuneration for his services in that capacity.
