BALLINA MUNICIPAL DISTRICT

Annual Report 2022

11th May 2022

To: The Cathaoirleach and Councillors of the Ballina Municipal District

I am pleased to present this Annual Report for 2022, which outlines the extensive range of services provided directly or indirectly by this Municipal District.

2022 saw an easing of the coronavirus pandemic across the world, which had a lesser effect on the delivery of Council Services, with most services returning to a degree of normality. We continued with working remotely for a period before the introduction of blended working. We also continued to facilitate online Council meetings to enable full participation by all Councillors, staff and others who could link in as required.

2023 will see the Council continuing to adapt even further in its delivery of services and also in its assistances to businesses and communities.

The Council continued to source much needed grant allocations in 2022 to enable us fund many projects. The allocation of funding under various schemes greatly assisted in the development of our towns and villages. Schemes such as CLÁR, Town & Village Renewal, URDF, ORIS and direct Council funding gave communities a much-needed boost and improved their quality of life. 2023 will see many more important projects completed and new ones commence.

It was with sadness that we learned of the death of former Town Councillor Josie Egan who passed away in September 2022. Our thoughts and prayers are with Josie's family.

2022 also saw the secondment of Theresa Durkin, S.E.E to Property, Internal Audit and Organisational Change and we thank Theresa for her contribution to the development of the District. Davinia Gaughan, C.O and Michael Livings, E.E also took up new posts and we wish them well.

While it has been a challenging year, we are still adapting to new systems of work and the high level of commitment shown by Councillors and staff is to be commended.

I am confident, given the abilities and spirit of co-operation that is consistently shown by the Councillors and staff that we will be in a position to meet the challenges that lie ahead.

2023 will also see an accelerated focus on climate change, active travel, heritage and biodiversity initiatives in addition to the Council's regular services and supports.

Of course, the highlight of the current year is the 300th celebration of Ballina town with lots of events and initiatives planned.

We can look forward to a positive 2023.

Head of Ballina Municipal District

CASTLEBAR MUNICIPAL DISTRICT

Annual Report
2022

Introduction

Castlebar Municipal District governs the town of Castlebar and the general Castlebar area. It has a population of 30,000 and has 28 Electoral Divisions.

There are 7 elected Members in Castlebar Municipal District since the Local Elections in June 2019 and they meet on the last Wednesday of every month to discuss the development and implementation of policies across a broad range of areas. The members work closely with the Director of Service, Head of Municipal District, the Senior Executive Engineer and the support staff of Mayo County Council to ensure that the Castlebar area continues to thrive, both socially and economically.

The town of Castlebar is actively twinned with Höchstadt in Germany, Auray in France, and in the USA, Dixon, Illinois, Westchester, New York State and Peekskill, also in New York State. These are seen as important cultural links.

Pictured at the AGM in June 2022 is the newly elected Cathaoirleach Cllr. Michael Kilcoyne (Ind) at front from left to right Mr. Iarla Moran, Mr. John Condon, Cllr. Al McDonnell (FF), Cllr.
