The Report of the Visiting Committee was read, and Orders were made thereon as follows:—

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

No Report from the Master this day

The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively as follows):—

Letter from Local Government Board, N<sup>o</sup> 49, 14th, 88, dated 14 Dec., 1888, informing the Board of Guardians that from this date the Union will be in charge of their Inspector, Mr. A. Bourke.

Letter from same, N<sup>o</sup> 49, 013 / 1888, dated 18<sup>th</sup> Dec. 1888, on the subject of the qualification for the office of Guardians in the Balmchalla, Ballyorey, Cappaghcliff and Queenbrinn Electoral Divisions of the Union, and stating that they would wish to be informed whether the Guardians are still desirous that the qualification should be reduced.

Resolved that the Local Government Board be informed that the Board of Guardians are still of opinion that the qualification for the office of Guardians in those Divisions should be reduced to five pounds.

Letter from same, N<sup>o</sup> 49, 550/88, dated 19<sup>th</sup> December, 1888, on the subject of the inquiry recently held by their Inspector, Mr. Bourke, respecting the charges preferred against the Hospital Nurse and the Master of the Workhouse, respectively, and forwarding therewith for the Guardians' information, the minutes of the evidence taken at the inquiry, which should be returned to their office when no longer required.

The Local Government after reviewing the evidence given in support of the charges consider that the Hospital Nurse should not be any longer allowed to remain in office, and they request that the Guardians will be so good as to require her to at once tender her resignation; and they are of opinion that it is not for the interest of the Union that Mr. Farragher should be permitted to occupy any longer the important and responsible position of Master of the Workhouse, and they therefore request that he may be called upon for his resignation of that office.

Miss O'Malley, Hospital Nurse, and Mr. Farragher, Workhouse Master, having been called upon to tender their resignation in compliance with the letter of the Local Government Board, received this day, requested that they would be given until the 3<sup>rd</sup> January, 1889, to do so; and the Guardians hope that the Local Government Board will be good enough to comply with this request, which the Guardians consider a reasonable one.

Resolved

Resolved, that Relieving Officer John Kelly be directed to prosecute Martin Moffett, for wilfully neglecting to maintain his children, who are inmates of the Workhouse.

Resolved, that having looked over Mr Hynes, Relieving Officer's Books, the Guardians found that they had been loosely and irregularly kept; and they severely reprimanded Mr Hynes and cautioned him that if his Books were not kept more regularly in future the Guardians would suspend him.

Resolved, that a Tea supper be provided for the Workhouse inmates on Xmas eve, a Tea Breakfast and Meat dinner on Xmas day; and a Tea Breakfast and Meat dinner on New Year's day, and that the following articles be procured for same.

For Christmas eve, 5 lbs of Tea, 24 lbs of Sugar, and 100 lbs. of White Bread

Ballinrobe, Workhouse.  
11th April, 1889.

Gentlemen,

I request permission to employ a carpenter to do some minor repairs pointed out by the L. G. B. Inspector while inspecting the Workhouse on Tuesday last. The Bailor in the Hospital boundary he directs to have reset, & I would respectfully suggest that the mason, who is to repair the boundary walls be directed to

have it put in order, together with the fire-grates through the house that want resetting.

I am, Gentlemen,

Yours obedient Servant,  
Michael Boncannon.

The Board of Guardians  
Ballinrobe Union.

Resolved, that the master be directed to get an estimate from Mr Thomas Cavanagh of the repairs to be done with cost of same.

The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect (or Orders made on them respectively as follows):—

Letter from Local Government Board N<sup>o</sup> 13987, 1889, dated 10<sup>th</sup> April, 1889, acknowledging receipt of minutes of proceedings of the Board of Guardians on the 28<sup>th</sup> Ultimo, containing a resolution proposing that a sum of £82 be allowed to the clerk of the Union for his own remuneration and to enable him to remunerate the Poor Rate collectors for their services under the provisions of the Parliamentary Voters Acts during the past year, and the Board desire to express their approval of the resolution and sanction payment accordingly.

Letter from same, N<sup>o</sup> 15577/89, dated 16<sup>th</sup> April, 1889, calling

attention of the Board of Guardians of Ballinrobe Union to the very unsatisfactory manner in which the duties of the clerk of the Union have been discharged in not replying to communications addressed to him, from this office and his irregularity in transmitting the weekly returns of persons relieved in the Union as well as to his delay in not forwarding to the Auditor the abstracts of the Union accounts for the half-year ended 29<sup>th</sup> September last. The Local Government Board cannot any longer tolerate such conduct on the part of the clerk of the Union, and the Board must therefore request that the Guardians will call upon him to at once tender his resignation of his office.

The Guardians having before them for consideration the letter of the Local Government Board relative to the resignation of the clerk of the Union request that the Local Government Board will withhold calling on the Clerk to send in his resignation until the 6<sup>th</sup> June on which date the Clerk has stated that he will have the Union accounts closed up to the 25<sup>th</sup> March, 1889, and that he will on the meeting of the Board on that day hand in his resignation and the Guardians consider that the adoption of this course would be for the benefit of the Union as the accounts would be closed to the end of the last financial half year.

Letter from Local Government Board N<sup>o</sup> 10,585, 1889, dated 17<sup>th</sup> April, 1889, advising to the replies to their inquiries respecting the appointments of Mr John Fitzpatrick to the office of Schoolmaster of the Workhouse of Ballinrobe Union, acquainting the Board of Guardians

that having requested their Inspector Mr Burke, to see and examine Mr Fitzpatrick they are now informed by Mr Burke that he has done so, and that Mr Fitzpatrick appears to be qualified to discharge the duties of Schoolmaster and that he intends to submit himself next July for examination for the purpose of obtaining Classification

Under these circumstances the Local Government Board approve of Mr Fitzpatrick's appointment on the terms specified.

Letter from same N<sup>o</sup> 15.239.1889. dated 17<sup>th</sup> April. 1889. informing the Board of Guardians of Ballinrobe Union that they have received the Half yearly Report of their Inspector Mr Bourke on the Union which is of a fairly satisfactory character as regards its financial state and the general management and condition of the Workhouse.

Mr. Bourke reports that although Stock was taken on

 Ditto disallowed . . . . .  
 The number of applicants admitted to the Workhouse was . . . . .

 Do. do. in which relief was continued by the Guardians . . . . .  
 The number of other applicants in the Relieving Officers' Books relieved by order of the Guardians was . . . . .

The number of applicants for whom relief was not ordered was . . . . .

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon as follows: (this on the second Meeting after the Annual Election in every year.)

the 29<sup>th</sup> of September last there was no proper stock taking on the appointment of the present Master of the Workhouse, and he observes that it would be well for the Guardians to have this done at once so that the present Master may start with his Books quite clear.

As regards the state of repairs of the Workhouse and Hospital Buildings Mr Bourke reports that external painting is very badly required, and he points out that this is the time of the year to get it done.

Mr Bourke also reports that the range in the Hospital Kitchen is not in good order, and he suggests that the Guardians should get a competent person to examine it, and set it right.

The Local Government Board request that the Guardians will give their attention to the matters above referred to.

Resolved that the Board acknowledge the receipt of the Local Government Board's letter of 17<sup>th</sup> April. transmitting the Inspector's Report and with reference thereto they wish to state that they will carry out in due course the necessary repairs mentioned therein
