The following reported that James Higgins absconded during the
Sessions at Ballinasloe Petty Sessions on Monday last, and was

to one Month imprisonment with hard labour.

The following Orders of the Local Government Board for Ireland, were laid before the Board, and directions given thereon as follows:—

The following Letters from the Local Government Board for Ireland and others, were read by the Clerk, and directions given to answer them respectively, to the following effect, (or Orders made on them respectively as follows):—

Circular Letter from Local Government Board, No. 291. 7th/63. dated 1st November 1863. requesting to be furnished with a Statement showing the Amount of Rate Raised, Parliamentary Grant, and other Receipts, and the Total Expenditure of the Union during the Year ended 25th March 1863. distinguishing under the heads specified the Receipts and Expenditure for each half Year ended 25th March and 29th September 1863. respectively.

Letter from Same, No. 38,595/63. dated 2nd November 1863 — referring to Minutes of Proceedings of the Board of Guardians and 22nd Ultimo, and expressing their disapproval of the proposed Increase only to Five Pounds to Dacla Dispensary, for this

Year's Service while Acting as Medical Officer of the Workhouse during the Illness of Doctor Kelly

The Provision will be made in the next Make Rate for — Payment of the third Instalment due to the Commissioners of Public Works in Ireland under the Local Supply Act. 1862. The Board of Guardians consider that the Clerks should be allowed Temporary Assistance to enable them to prepare the Make Rate in Proper Form and it is Resolved subject to the approval of the Local Government Board that the Clerks be allowed to employ and assistant for three months at one pound ten shillings per week.

That Guardians viz namely :— all all Rev Cunningham, Parochial Boyle, Elected Members, and also Walsh seconded Cunningham — Resolution.

Proposed by Archdeacon Grady Seconded by Mr Joseph Walsh

Resolved Unanimously that having seen a Circular from His Excellency the Lord Lieutenant, in which it is hoped as far as possible that Famine and Fever Workhouses, for which Poor Law Property Assessment will apply already Grant in aid of Medical Organization, shall be of three-fold objects, we desire to bring under the consideration of His Excellency the Inability of making Provisions in this Union for the Support of Poor will prevent from existing Board Groups systems. The Building Sheds at the existing Fever Hospital be used; the heavy expense of providing these Building Sheds would be avoided, and we think that what would be saved should be made

as Trustee on the additional cost of a Board of Guardians Line.

The Guardians further request the consideration of His Excellency to the proposed Line for connecting Navan and Oldcastle (with which a Line into Mullingar is inseparably connected), this Line is of the greatest possible importance to the whole West of Ireland, opening communication between North and South, with an alternative route to England by Waterford, Dublin, &c.

There is probably no Line proposed under the present Act which will be more beneficial than this, but it would be so manifestly injurious and unnecessary to make it at the Expence of Irish Property, that the Board feel unable to proceed any further in the business unless made on the Grand Jury Cess, they therefore pray His Excellency to make an exception in this case

It is ordered unanimously that the Labourers Act as adopted at present, is insufficient to the requirements of the four Parishes of the district, inasmuch as they would be quite unable to find the cost of the alterations of the description which would obtain the sanction of the Local Government Board, and that this Board request Alderman Pennell and their County Members to use every possible exertion during the coming session to have the Act so amended, that Guardians of Unions would be empowered to obtain the Loans of those Parishes who already have them, and to purchase houses when such can be obtained, and that the rate of interest to be charged on the money so advanced should not exceed one per cent.

That a copy of the foregoing Resolution be forwarded to Alderman Pennell, M.P. Alderman Thomas Brown, M.P. Rob Jones Esq. M.P. and to the Clerk of each Union in the County of Anglesey.
