World Day of Prayer for the Care of Creation

O God of the poor, help us to rescue the abandoned and forgotten of this earth,

so precious in your eyes.

Bring healing to our lives,

that we may protect the world

and not prey on it,

that we may sow beauty,

not pollution and destruction.

Touch the hearts of those

who look only for gain

at the expense of the poor and the earth.

Teach us to discover the worth of each thing,

to be filled with awe and contemplation,

to recognise that we are profoundly united

with every creature as we journey towards

your infinite light.

We thank you for being with us each day.

Encourage us, we pray, in our struggle

for justice, love and peace.

Columbans

Each year, Archbishop Francis permits one missionary congregation to make an
appeal for support in the Parishes of the Archdiocese. This year, the Columban
Missionary Society will make its appeal. One of the founders of the Columbans, or the
Maynooth Mission to China as it was previously known, was John Blowick, a native of
Belcarra. The original house of formation for the Columbans was in Dalgan near
Shrulle. The Society is now based in Dalgan Park in Navan. The Columbans work in
the Far East, China, Korea, South America and many other parts of the world.

**Columban Society representatives will speak at Masses in the Parish on
Saturday Sept 14th & Sunday 15th.**
