**WELCOMING, PROTECTING,
PROMOTING AND INTEGRATING
MIGRANTS AND REFUGEES**

God walks with His people: Message of Pope Francis: "... God not only walks with his people, but also within them, in the sense that he identifies himself with men and women on their journey through history, particularly with the least, the poor and the marginalized."

Every person can make a difference.

Every person can be an agent of change.

Together, our collective actions today, will prepare us for a better tomorrow.
