To Whom it concerns

Please find attached maps of my lands at  which are currently zoned for residential development.

I would like to make a submission for these lands to be rezoned as agricultural land for the following reasons.

These lands were zoned by Mayo County Council without any request or canvassing from me.

I have no plans or intentions to develop these lands.

These lands have always been farmed by my family for the last four generations.

This site declines away from the road and as such is lower than the sewerage and storm water pipes which run under the road.

I feel there is more than enough land zoned for residential development in Claremorris for planning applications that are submitted to Mayo County Council.

Yours Sincerely
